DISTINGUISHED EDUCATOR

Adam Clinch

Capital High School

Throughout high school, Adam Clinch has been a role model and a mentor. As a teacher, he cultivated a sense of pride in my learning that allowed me to become excited for each new day of class. His phenomenal teaching allowed me to conceptualize difficult topics. Outside of his passion for knowledge, Mr. Clinch also dedicated himself to finding the best in every student and thoughtfully created learning opportunities that allowed students of every level to come together and succeed as a group.
