To Whom It May Concern:

This letter is to serve as my formal recommendation for Adam Clinch. In the fall of this year, Adam completed his student teaching at our school. His enthusiasm for teaching and his ability to build positive relationships was admirable.

Throughout the semester, Adam consistently demonstrated a strong work ethic and a dedication to success. His reliability to go above and beyond was evidenced by his willingness to put into practice the instructional practices he studied in best-practice research. His cooperating teachers found him to be tireless in striving for excellence, and an amiable team member to work with.

For these reasons, I highly recommend Adam Clinch as a member of your staff. If you have any questions regarding Adam or this recommendation, please contact me.

Sincerely,

Lisa Hendrix
